Good Friday morning! 1-8-16

Welcome back, Ms. Wagner!

Today we will work on positive thinking and goal setting- All students will focus on the good things in their lives and the things that need changing in order to create a resolution for the year.

Also, students will be conferencing, looking at grades and making priorities in preparation for exams. All students will have something to work on in the coming week that will advance one class's grade into the next level.
