

Good Morning!

10-19-15

**Bell Work: Plexers are back! Let's get those neurons firing....
How many of these can you figure out? Let's try for 4/5!**

**Review of Text Features: So many of you did not pass this part of
the last quiz. Out of 25 questions, let's see you get 20 correct!**

**Continue with "Everglades and Pythons": More work on writing
claims, identifying text structures, and finding context clues.
Today you will submit a paragraph with a claim and supporting
details.**

Good morning!

10-21-2015

Turn in your challenge from Ms. Wagner into the red basket.

Bell Work: Plexers to fire up those neurons!

Who can get 4/5 correct?

Text Mapping for "Everglades and Pythons."

Pick a global structure and start to map the important details. This provides you with a way to make sense of text.

English Grammar 101: You all have individual lessons to work on. You should get through three lessons or more by the end of the hour.

Good Friday morning!

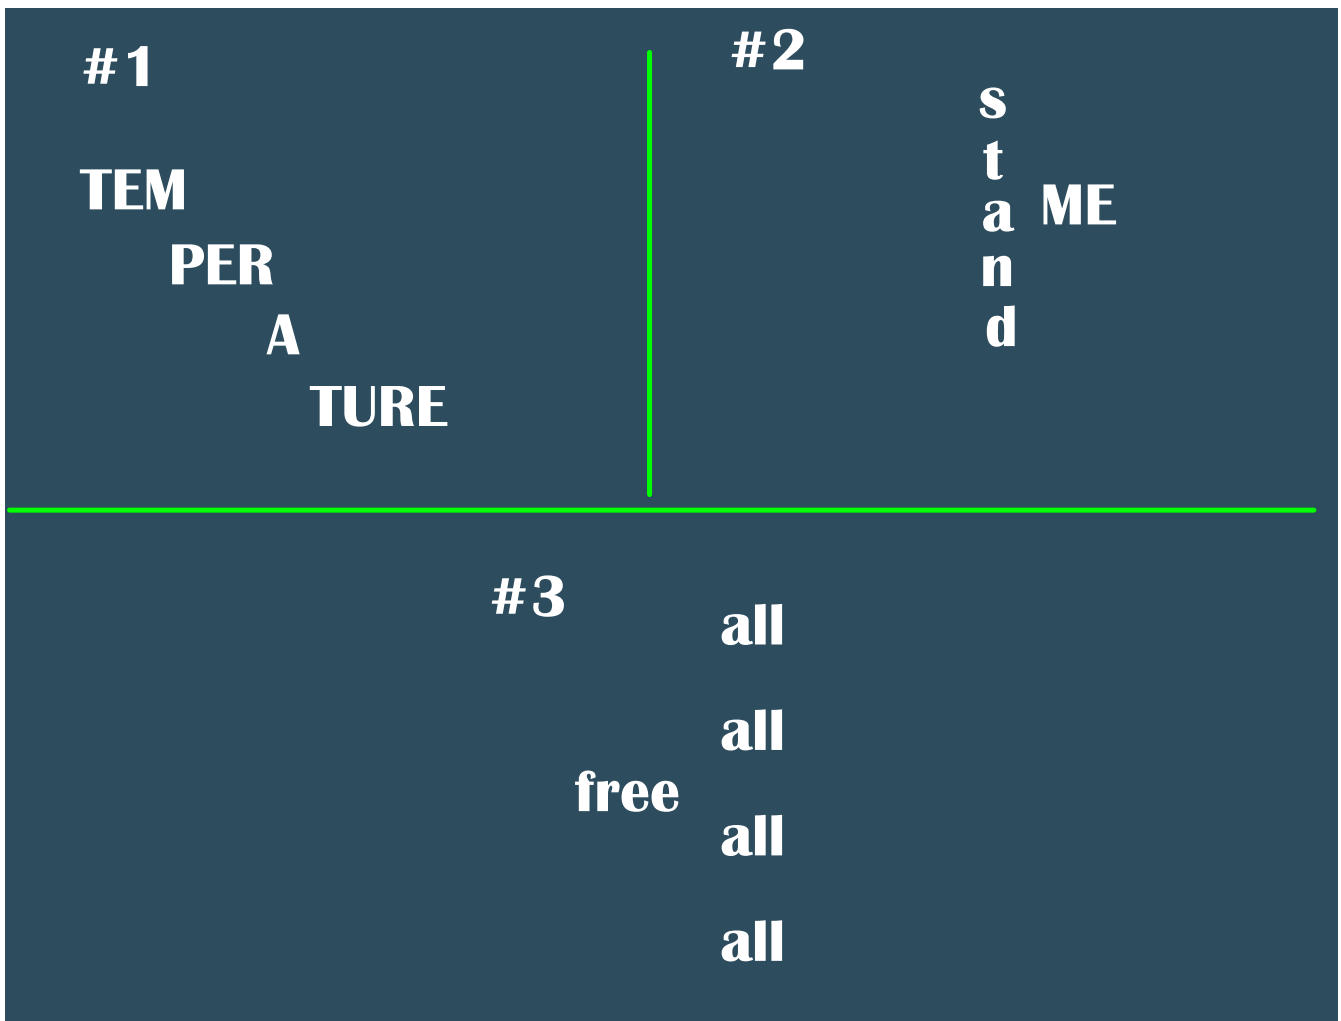

10-23-15

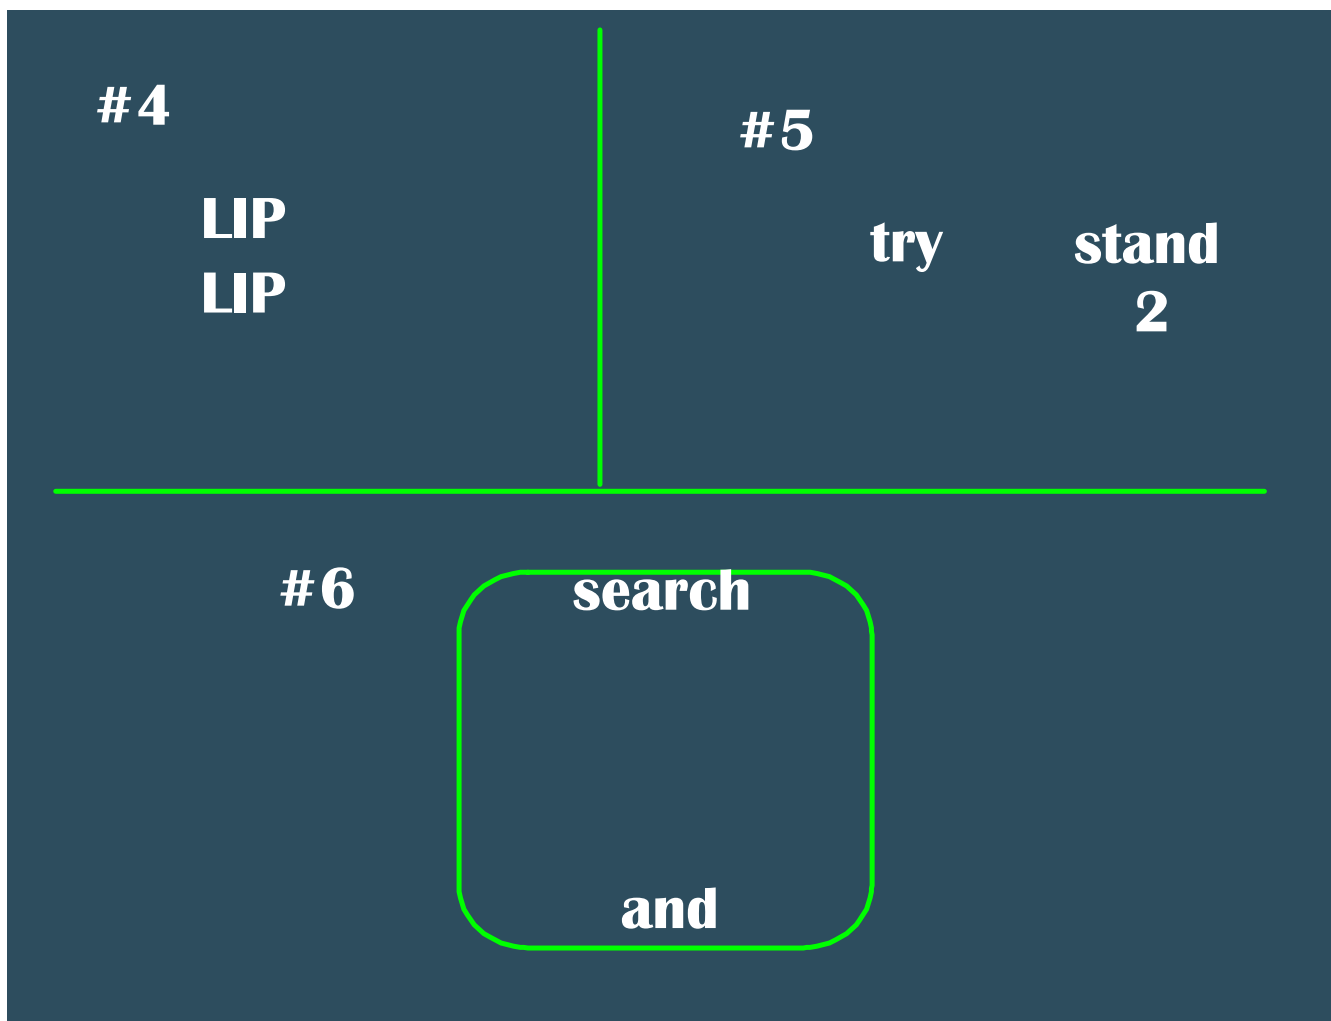

Bell Work: Plexers to finish out the week.

Who can get all 6?

Welcome Ms. Wagner! With her we will brainstorm about different levels of responsibility. At the end of the hour you will have a better understanding of what responsibility is yours and what is not.
